Subject: Perchlorate: Assessment Team Members to Attend

** High Priority **

The following Perchlorate Assessment Document Authors have been confirmed for attendance at the peer review meeting. I have also listed their expertise. You had wanted this information. Also, Bill Farland, (Director of NCEA, i.e., NCEA IO) will also be at the meeting.

1. Harlal Choudhury (NCEA Cin)
General toxicology, Superfund Technical Support Ctr. Director
2. Eric Clegg (NCEA W)
Reproductive Toxicology
3. Kevin Crofton (NHEERL)
Neurotoxicology
4. Annie Jarabek (NCEA RTP)
Assessment Team Leader; dosimetry; inhalation toxicology
5. Ralph Smialowicz (NHEERL)
Immunotoxicity
6. Glenn Suter
Ecotoxicology

I have not heard from Mary Manibusan if she will be in attendance. Can someone in OW confirm or deny? Mike?

If yes, she should be listed as general toxicology, OW liaison.
